Machine specification

Machine Mode	Jo Marking
Marking scope	300x300 mm
Gross power	≤0.8kw
Marking speed	< 7000mm/s
Laser power	50w
Power supply	220V/50Hz
Package size	92x80156 cm
Net weight	120kg
Gross weight	170kg
HS code	84561100

Machine Details

1		Raycus fiber laser source
2		High speed galvo head Stable and high reliability
3		Original JCZ control board and EZCAD software can update at any time and support windows 7/8/10
4		F-theta lens: 100x100mm / 300*300 mm
5		Spare parts: Protective glasses Foot switch
6		Industry computer

Terms & Conditions
